

Benington Primary School – Our SEND Local Offer for Families 2026-2027

At Benington Primary School, we want every child to feel happy, included and confident in their learning. Some children need a little extra help at certain points in their school journey, and we are here to support them and their families every step of the way.

★ What We Do

We provide support for children with a range of Special Educational Needs and Disabilities (SEND). This may include help with:

- speech and language
- reading, writing or maths
- behaviour, social or emotional wellbeing or emotional regulation
- physical (e.g., hearing or vision) or sensory needs

Our aim is to give every child the right help at the right time so they can make good progress and enjoy school.

🤝 Working Together With Parents

You know your child best, so we work closely with you to:

- listen to your concerns
- agree what support is needed
- review progress together regularly

You'll always be involved in decisions about your child's support.

🧑 How We Help Children

Support might include:

- small group or 1:1 teaching
- personalised learning plans
- extra help in class
- support from specialists such as Speech and Language or Autism advisory services

We review support each term and adjust it as needed.

📍 Extra Help During Transitions

Moving school or class can be a big change. We provide extra support for children with SEND during:

- starting school
- moving to a new year group
- transferring to secondary school

This may include extra visits, photo booklets, meetings with families and handovers to new teachers.

Need More Advice?

You can always speak to our **SENDCo** if you have questions or concerns about your child's development or learning, they are in school one day a week and appointments can be made via the email below.
